| ACTION FIGURES | | | |
| <p>5" OPERATION OVERDRIVE POWER RANGERS– Each Mission Response action figure contains advanced sound features never before found in the lineup. An electronic chip is built into each figure and triggers exclusive sounds and phrases when placed on the sensor in the cockpit or the control center of the Mission Response Vehicle Playset (sold separately). Activate additional sounds and phrases when you press the Ranger’s belt buckle. Each also comes with accessories, which can all be combined to form a separate Zord figure.</p> | \$6.99 | 4+ | July/September |
| <p>5" MACH-MORPHIN FIGURES – Get ready to “battlize” these figures with their cool mission gear. Each set of battle gear can also be combined together to form a sword, just like the 7th Ranger on the TV series.</p> | \$8.99 | 4+ | July/September |
| <p>9" MORPH F/X FIGURES – New for 2007! These larger scale, battery-operated Moto-Morph figures are two toys in one. First, they transform into an awesome vehicle. Additionally, kids press the Ranger’s belt buckle and watch their facial expressions come to life by changing from civilian to Ranger mode.</p> | \$10.99 | 4+ | July/September |
| <p>11" MEGA TALKING POWER RANGERS – Play out larger than life adventures with the 11" Black, Red Sentinel, Mercury Ranger and Sentinel Knight. These figures speak two phrases and include accessories to complete the fun.</p> | \$14.99 | 4+ | July |
| VEHICLES | | | |
| <p>MEGA POWER RANGERS MINI VEHICLE SETS– New for 2007! Be ready for any mission anywhere with these fun collectible sets of mini vehicles. Connect each of the TransMax vehicles together to form a Megazord. Then mix and match the vehicles across the line to create an even more dynamic Megazord.</p> | \$7.99 | 4+ | July/September |

ZORD-TEK TRANS-CYCLES – The always popular Power Rangers cycle line now offers new features for 2007. Each cycle comes with a light-up Zord icon that can be placed on the handlebars, as well as doubles as an interchangeable head for the Deluxe Megazords (sold separately). A 5” Power Rangers action figure is also included. \$10.99 4+ July/September

ALL-TERRAIN ACTION MACHINES – **New for 2007!** Two toys in one, transform the Transtek Armor Machines from Vehicle to Zord Mode. Collect multiple Machines and combine them together to form the ultimate Zord. Versions include the Red, Black and Mercury Ranger vehicles. \$14.99 4+ July

MEGAZORDS

TRIPLE TRANSFORMING MEGAZORD SETS – **New for 2007!** Each set includes three Zords that combine to form a Megazord, as well as a unique accessory. Construct new Megazord combinations with all three sets across the lineup for endless possibilities and fun. \$19.99 4+ July

DELUXE MEGAZORDS – Combine the Zords in each set to form the awesome Megazords seen on the TV show—at home. Land and air missions can be conquered with the DriveMax Megazord, which can transform into a vehicle and has lights and sounds. The DualDrive Megazord can combine together with the DriveMax to form the exclusive DualDrive Max Megazord. Both also allow kids to interchange the head with the Zord icons from the Zord-Tek Trans-Cycles for more play value. \$39.99 4+ July

ROLE-PLAY

POWER RANGERS MEGA MISSION HELMET – **New for 2007!** As the ultimate Power Rangers toy of all time, the all-new Mega Mission Helmet takes the role-playing action to even greater dimensions! Kids can now become their favorite hero in real life with this wearable Red Ranger helmet that connects to the Internet, via the included USB cable, to access more than 20 different secret missions. Each two-minute role-play adventure can be easily downloaded into the helmet, with your parents’ help, and can always be updated once you complete the last one. \$49.99 4+ August

With each training mission, kids are encouraged to become active by playing out the adventures from the current *Power Rangers Operation Overdrive* TV series – the 15th consecutive year from the popular franchise. The helmet comes pre-loaded with one mission and features a

see-through visor, lights and sounds for dynamic fun anytime.

OVERDRIVE MORPHERS – Play out the adventures as your favorite Power Rangers hero with your very own Overdrive Morpher. Imagining as if they are deciphering clues to find the missing treasures, kids can use a the unique black light feature to decode clues found on the exclusive in-packed scan cards. The keypad activates six unique sound sequences, while the Turbo Morph Wheel launches the morphing sequence seen on the show. The new Mercury and Sentinel Morphers offer a cool design and allow kids to wear them on their wrist. They also feature an LCD screen, the first of its kind in the lineup. Kids can currently log onto www.Bandai.com through the end of the year to download a special mail-in offer for a secret message pen that writes in “invisible ink” and can be deciphered by the black light (shipping and handling fee of \$1.65). \$16.99 4+ July/September

OPERATION OVERDRIVE WEAPONS – Fend off evil space aliens by using these two in one weapons just like the ones featured on the TV show. The Drive Defender, Drive Lance and Drill Blaster feature lights and sounds, as well as attachments that power up the weapons to make them more deluxe. These attachments can also be used with the Mega Mission Helmet to increase the fun. \$14.99 4+ July/September
