

## **You are Invited to a Corn and Soybean Plot Tour**

*Mark September 17, 2008 to learn about Integra Fortified Seed™ and the Manifest™ Treatment System.*

---

- Who:** Integra Fortified Seed invites you to a plot tour hosted by Honeyford Elevator and Wilbur-Ellis
- Where:** Farmers Elevator of Honeyford, Honeyford, North Dakota  
(detailed direction of plot location to come)
- When:** September 17, 2008 beginning at 11 a.m.  
Lunch will be provided

Producers looking for high-performance seed with the technology to provide superior results now have an answer: Integra Fortified Seed™. Integra builds a strong crop foundation, improves performance and yields, and saves producers valuable input costs.

Media will have the opportunity to interview and gain perspective from area growers, Integra Seed specialists and Wilbur Ellis dealer representatives.

Remember, mark September 17 for this great media opportunity!

You may contact Nicola Freeman or Mindy Scholz, Paulsen Marketing, at 605-336-1745, for more information or to RSVP.
