

Brownie Fun!

Make-It-Yourself Brownie Pops

Brownie pops are the perfect fun-to-eat treat for parties and favors. Just bake, cool, and decorate! Here's a quick guide to help you make your own:

1. Use the **Brownie Pops 8-Cavity Silicone Mold** to bake brownies. Silicone is an ideal material to bake brownies!

2. Create fun brownie pops using the **Brownie Sticks**.

3. Heat and squeeze the **Vanilla Crème Drizzle Icing** over brownies to add a ribbon of flavor.

4. Add exciting color, taste and texture in an instant with the **Turtle and Rainbow Chip Crunches** – they're fantastic flavor combinations for brownies!*
