

LAPHROAIG®

LAPHROAIG® 25 YEAR OLD CASK STRENGTH FACT SHEET

TASTING NOTES:

Color Burnished yellow gold

Nose At cask strength there is a rich, sweet aroma of crushed grapes and heather flowers but always in the background is the distinctive tang of peat with just a trace of pear drops. Adding a drop of water starts the release of the many different flavors starting with a slightly sweet sherry fruitiness that then develops into the smooth fruit ripeness of pears and red apples with a pleasant tang of new mown hay. Finally, you progress into the gentle Laphroaig Islay peat tang.

Body An immense multi-layered complexity

Taste At cask strength the sherry and spicy apple covers the peaty licorice tang which then slowly fills the palate. With a touch of water the gentle softness of age comes through and then little by little all the other fruit, spice and peat flavors fill the mouth.

Finish Very long and slightly dry with a nice peat finish

PRICING: \$500, 750mL
