

Dual-Axis Pocket Pedometer with Advanced 2D Smart Sensor Technology

Model HJ-112

Whether simply walking or taking the right steps to meet fitness goals, **Omron's GOsmart™ Dual-Axis Pocket Pedometers** are the perfect choice to track progress - easily, accurately and over time. Dual-Axis Pocket Pedometers feature Advanced 2D Smart Sensor Technology, which enables the pedometer to be placed horizontally or vertically while accurately counting steps. The pedometer can be placed at the hip, in a pocket or clipped to a bag for added convenience.

Omron's GOsmart Dual-Axis Pocket Pedometers are available in three models as outlined below.

	HJ-112 Dual-Axis Pocket Pedometer	HJ-113 Dual-Axis Pocket Pedometer	HJ-720ITC Dual-Axis Pocket Pedometer PC Version
