

Omron Healthcare, Inc.

About: Omron Healthcare, Inc., located in Bannockburn, IL, is the North and South American sales and marketing office of Omron Healthcare Group, a leading manufacturer and distributor of blood pressure monitors for home use. With more than 80 million monitors sold worldwide to date, Omron Healthcare Group was the first to introduce manual and digital blood pressure monitors into the home healthcare market.

Omron Healthcare also offers innovative products and medical devices for use in sites ranging from hospitals to the home in the blood pressure monitoring, fitness diagnostics, thermometry, and respiratory categories. Omron Healthcare markets clinically proven products that provide accurate health information to consumers and physicians and support positive lifestyle changes and health improvement.
