

With your help, the sky's the limit...

"WELCOME." It's a simple word that embodies the hopes and dreams of a family looking for a fresh start. It's the affirmation that lets someone know they are at home.

Jenesse Center opens the door to those in need of a peaceful night's sleep and a new beginning. We open doors to supporters who have made our mission their own and to new friends looking for ways to give hope for a perfect world.
